current and canadian social problems explores the dynamics and consequences of social problems such as poverty sexism crime drug abuse health war and terrorism that impact canada and the rest of the world each problem is examined through a variety of theoretical paradigms before its impact both on individuals and society as a whole is explored

suitable for courses addressing community economic development non profit organizations co operatives and the social economy more broadly the second edition of understanding the social economy expands on the authors ground breaking examination of organizations founded on a social mission social enterprises non profits co operatives credit unions and community development organizations while the role of the private and public sectors are very much in the public light the social economy is often taken for granted however try to imagine a society without the many forms of organizations that form the social economy social service organizations arts and recreation organizations ethno cultural associations social clubs self help groups universities and colleges hospitals and other healthcare providers foundations housing co operatives or credit unions not only do these organizations provide valuable services but they employ many people and purchase goods and services they are both social and economic entities understanding the social economy illustrates how organizations in the social economy interact with the other sectors of the economy and highlights the important

social infrastructure that these organizations create the second edition contains six new case studies as well three new chapters addressing leadership and strategic management and human resources management a much needed work on an important but neglected facet of organizational studies understanding the social economy continues to be an invaluable resource for the classroom and for participants working in the social sector

written by one of the world s leading experts on victimology this book is designed to offer a broad introduction to the subject

completely updated to reflect the reality of today s families the family dynamic fifth edition is the definitive resource for canadian students and teachers praised for its accessible clear and approachable writing style the family dynamic is a leader in the canadian academic marketplace challenging issues have been woven throughout the text to stimulate thought and discussion about the current state and future of the family sociology human services majors and non majors alike will appreciate the relevant examples used to illustrate the modern canadian family

the book begins with an anonymous person engaged in an international teleconferencing scenario so that readers can relate to the importance of learning more about intercultural communication a more formal tone follows with chapters that examine the process of communication which includes an analysis of historic and contemporary scholarly research and theories so that readers can gain an appreciation of how intercultural communication evolved into an academic discipline the authors share their own personal experiences as persons who identify with a multiplicity of cultures they discuss groups that became especially disadvantaged due to the spread of colonial dominance including indigenous peoples in canada women persons with disabilities the lgbtq community persons of visible ethnic heritage historically

enslaved groups and persons adhering to non dominant world belief systems readers are encouraged to engage in self reflection examine their own attitudes and actions and understand how these are formed and influenced within macro meso micro societal realms case studies practical activities and thought provoking questions accompany each chapter throughout the book a strategy for approaching intercultural communication from a canadian perspective is unfolded this strategy is summarized with examples to show how it can be used both within outside of a canadian context

offering a critical perspective media literacy for citizenship emphasizes the ability to analyze media messages as a fundamental component of engaged citizenship the ten chapters of this text are divided into two sections the first six chapters explore the landscape of the media today and each of the final four chapters examines how the media presents specific issues all of which are of vital importance to civil society each chapter forms a mini lesson and encompasses three core elements an essay on a subject area important to critical media literacy a list of case examples that can be used for assignments and a list of key terms common to all chapters and cases the diverse topics of study and the rich pedagogy make this book a perfect resource for courses in communications journalism media studies and education

border culture emerges through the intersection and engagement of imagination affinity and identity it is evident wherever boundaries separate or sort people and their goods ideas or other belongings it is the vessel of engagement between countries and peoples assuming many forms exuding a variety of expressions changing shapes but border culture does not disappear once it is developed and it may be visualized as a thread that runs throughout the process of globalization border culture is conveyed in imaginaries and productions that are linked to borderland identities constructed in the borderlands these identities underlie the enforcement of control and resistance to power that also comprise border cultures canada s borders in globalization offer an opportunity to explore the interplay of borders and

culture identify the fundamental currents of border culture in motion and establish an approach to understanding how border culture is placed and replaced in globalization published in english
